below Rs 200/- i.e. within my power of Sanction and orders were accordingly issued to the Amildar concerned for the execution of these works in anticipation of the acceptance of the notifications of Sanction which were duly submitted to Government.

2. The question whether these buildings should not be constructed by the Villagers themselves as was the practice hitherto having in the meantime arisen the notifications were not returned to this office. By the time the District Fund Budget of this District for 1895-96 was received Sanctioned in which the above question was raised, all the works referred to in this letter were under progress and consequently it was considered undesirable to stop them.

3. The Amildar reports that some of the Chavadies are Completed, the others under progress and that the Contractors are pressing for payment.

4. Under these circumstances, I request that you will be good enough to accept the notifications of Sanction as per margin* as a Special Case.

I further beg to state that the Cost of these works may be met out of Rs 2000/- provided in the current years District Fund Budget under the head "B. Public works to be executed by Revenue Officers, V. Reserve."

I have the honor to be
